

Beginning April 1st 2018, the therapeutic rate for all clinical services (Evaluation, Individual, Family, and Co Parenting) will be increasing. This decision was made following more than 6 years without a rate increase and after market research was completed.

As always, we are deeply committed to the therapeutic climate and the quality clinical care we provide. We care about our clients and look forward to our continued work together.

New Session Rates

Initial Evaluation	\$210
Individual Session	45 minutes- \$165
	60 minutes- \$210
Family Session-	\$210
Co Parenting Sessions	55 Minutes- \$225

SELF PAY ONLY
